NEWS BY SPECIALS.

Terrell: Railroad Safe Blown Open by Burglars.

Tyler: Smuggled Whisky Found in Trees and Houses.

TERRELL, Sept. 15.-[Special]-About 1 o'clock this morning a loud report was heard in the direction of the Houston & of the university to-day were thrown open heard in the direction of the Houston & Texas Central depot, and citizans rushed there as soon as they could get out, to find that the agent's safe had been blown open by burglars. The noise was so loud that the thieves knew it would bring some one, and they left without getting the inner door open. There were \$300 in the safe, but they failed to get anything for their trouble. The safe is completely ruined. This is the second time it has been blown open lately. The fire would have communicated to the depot building and cotton in a few moments, but was promptly quenched by the citizens, who went to see what caused the explosion. No clue to the perpetrators.

Longuism, Sept. 15.—[Special.]—For several days past rumors have been current that there existed dissatistaction arough the colored people towards the whites, and at some of their meetings threats of arson, rapine and murder have been uttered to an approving audience by the speaker. As most of these meetings are held after midnight, and as these reports come from all parts of the county, and as bands of negroes were reported as drilling nightly at various places, general unessiness spread through the county, and as bands of negroes were reported as drilling nightly at various places, general unessiness spread through the county, and as bands of negroes were reported as drilling nightly at various places, general unessiness spread through the county, and as middle themselves with arms. The very free purchases of ammunition of moment among the dates in such goods. This, compied with surface and provided themselves with windcasters. A meeting was held last windcasters have meeting as held and windcasters and the said to have become angry and beat her assurances that there is no truth in the reports of midnight drilling and meetings. But they are simply mistaken upon this point, this trouble is due to political wrongs, and higher wares. These things are to be faired by force il need by another citizen's meeting will be held at the court-house Mooday. at which provided the point, this trouble is due to political wrongs, and higher wares. These things are to be faired by the point, this trouble is due to political wrongs, and higher wares. These things are to be faired by the point of the reports. The reports even goo lar as the threatened burning of Longview. Placing but little credence in the unfortunate. and meetings are to be faired by the point of the point Longview, Sept. 15 .- [Special.] -For several days past rumors have been current

WIRE-CUTTER KILLED. was received here this morning about 8 o'clock, by telephone, from Post Oak, of the killing and wounding of three of the wirecutters isst night. A man, named Butier, one of the ring-leaders, was shot about twenty times and two others badly wounded. The shooting is supposed to have been done by the line riders. Butler's body was found about three miles from where Sherwood's fence had been cut for several miles. Great sheltenent prevails among our prominent stock mes. About twenty of them, mounded on horses and basely armed, left for Sherwood's ranch at 7 o'clock this eruning, where a lively time is anticipated to night. The city is wild with excitement.

tc-day.

From present indications, we will have plenty of rain.

FORT WORTH FORT WORTH, Sept. 15 .- [Special.]-J. T. Thompson and G. H. Hite went to the pasture of Henry Williams, in the White settiment, two nights ago, and drove out thirty-eight head of cattle, which they sold here to A. A. Nicholson for \$15 per head. To-day Williams came in for the cattle, which he recovered. A reward has been offered for the arrest of the thieves.

The Tarrant County Medical society was organized last night by the election Dr. Beall as president and Dr. Stone as secretary.

Unusually heavy rains to-day, and cattle-ALLEN.

ALLEN, Sept. 15.—[Special.]—A heavy rain began to fall about half past 9 o'clock this morning and continued until up to noon, which was very much needed. This is the first rain for over a month. Cotton is coming in slowly. Will proba-bly ship from 300 to 500 bales, this being about half the number shipped from here

last season.

The Baptists are having a very interesting meeting at the Baptist church at this place, and will probably close to-night on account of the rain to-day.

Two hundred and fifty cars: of grain have been shipped from here this season.

PALESTINE.

PALESTINE, Sept. 15 .- [Special.] - John G. Conlin, master mechanic of the Interna-

Contin, master mechanic of the international, withdraws his resignation and will
continue in charge of the shops here.

A new passenger locomotive was turned
out, fully completed, from the shops to-day.

A special election has been ordered for
city treasurer, to fill the vacancy caused
by the death of Colonel Weidmeyer. The
candidates are: Chief Engineer Stein,
Major Egbert and H. Ney Bryant. It is a
pretty fight, and there is a good deal-of
electioneering.

JEFFERSON, Sept. 15 .- [Special.]-This JEFFERSON, Septe 15.—[Special.]—This afternoon about 7 o'clock, Mr. Henry Tsylor, an attache of the Wide Awake office, was shot by Hamilton Walker, colored, the pistol falling from his pocket on the ground. The ball took effect in the right leg above the knee, which produced only a flesh wound, and was entirely accidental.

The Marshall Gem base ball club and the Bayou City club of this place, played a match game this evening, resulting in the defeat of the latter by a score of 4 to 2.

match game this evening, resulting in the defeat of the latter by a score of 4 to 2.

LITTLE ROCK.

LITTLE ROCK, Sept. 15.—[Special.]—The murderers of Jeff Valins, in Newton county, turn out to be two Kentuckians, named Baker and Wilson. They attempted to rob the residence of Valins, and he made fight, but was killed, not, however, before he shot Baker, who died to-day at Clarksville, Arkansas.

The drouth is at an end. A general rain is now prevailing. Crops were perishing, the drouth in some portions of the state lasting ten weeks.

CORSICANA.

Bowrox, Sept. 15.—The steamer William Borros, cept. in.—The steamer William Harrison, from Hull to Boston, in a ogram into the steam coiller, Professor Morse trom New York, this morning. The Harrison was cut to the water's edge. The Morse being an iron vessel received no damage. Much excitement was caused among the passengers.

MARSHALL, Sept. 15 - [Special.] - We His Attempted Scheme-Nipped by Detectives.

GALVERTON, Sept. 15 .- [Special.]-The Dallas Brown Stockings arrived by the 9:30 train this morning and were escorted to the Beach hotel where they will be quartered during their stay in Galveston. The club is constituted as follows: Mallaly, first base; Murry, short stop; Fisher, second base; Crawford, third base; Whatley, left field; Myers, right; Blakeny, center field; field; Myers, right; Blakeny, center field;
Coit, plicher; Maloughney, catcher. From
the determined look of the boys it was
conceded that they came for a purpose, and
when the game was called at 3:30 o'clock
they counted friends ty the score. The
Guit City club went to the bat, but retired in regular order without making a
run. In first inning the Dallas boys scored one run.

The second isning was but a repetition
of the first, the home club again failing to
make a run, while the Browns added another to their score.

make a run, while the browns added another to their score.

From this time to the end of the fifth inning some tall playing was induiged in by both clubs. The Gulf Citys scoring two runs and the Dallasites one, making the score three to two.

At the end of the sixth inning the score was three to three. was three to three.

During the seventh, eighth and ninth innings the Gulf city's club retired without scoring, while the Browns added three more runs to their score, coming out vic-

torious, the game being seven to three.

of the nome citto on account of the rulings of the umpire from Dallas. Their ground of complaint was that the Dallas nine scored four runs in the seventh inning, when they should not have scored at all. Coit, it appears, at the third strike was caught out, but the umpire decided differently and gave him a base.

The second game will be played to-morrow. It is understood that the Browns have made arrangements to play in Houston Tuesday and Wednesday.

A white man about noon to-day threw himself in front of a moving engine on the Narrow Gauge, near Thirty-first street, and was run over and instantly killed. Justice Bramsn held an inquest on the body, and after the jury viewed the remains they adjourned until 10 o'clock to-morrow morning in order to summon parties to give evidence. It is thought the victim of this wilfini act is a man who yesterday attempted to commit suicide by cutting his throat with a razor, and was sent to the hospital. with a razor, and was sent to the hospital, but made his escape last night from that

institution.

to Chicago would be selling for \$5 inside of thirty days. Reports from west say the Grand Trunk to-day made an open cut of \$2 between Chicago and Buffalo, and that the Nickle Plate was selling at reduced rates with a rebate. The Wabash and Rock Island roads are cutting rates to \$5 and \$6. Reports from Chicago and Council Bluffs and Rock Island, and the Caicago & Northwestern are cutting rates to \$2 between Chicago and Grand Rapids, Iowa. The Panhandle has been cutting to-day from Chicago to Lonisville. The Albany & Chicago road will meet it, and it promises to be a great fight. The Panhandle object Moving Engine. cago road will meet it, and it promises to be a great fight. The Panhandle object is to step the cutting of rates through scalpers.

Chicago, Sept. 15.—Late in the evening the Panhandle road made a further cut in the rate to \$5 till further notice. This was at once met by the Kankakee line and Louisville, New Albany & Chicago, or the Monon route. A leading official of the line said to a Press reporter:

Y u may say for me the Monon route will meet any rate by the rival lines.

meet any rate by the rival lines and wil not be the first to cry for quarter." Telegram has been received from the general passenger agent of the Kankakee line, to meet any rate made by the other lines. All parties in interest admit they are in for it, and the rates will probably an down to gene.

probably go down to zero.

Senate Sub-Committee, NEW YORK, Sept. 15 .- The senate subcommittee on education and labor to-day resumed the examination of Colonel Richard J. Hinton. The witness thought more attention should be given, throughout the country, to instruction in the primary schools, which were now neglected for schools schools, which were now neglected for schools of higher education. It was the best mode of teaching the laboring classes, and the common school system should be placed on a firm basis. The course of instruction was too superficial. He also testified, at considerable length, in regard to the land-grabbing system practiced in the west and southwest. On Monday, the trunk line commissioner, Albert Fink, will appear as a witness.

A Judicial Suicide. NORFOLE, VA., Sept. 15 .- Judge May Nonrole, Va., Sept. 15.—Judge May committed suicide aboard a Baltimore steamer this morning. He related his crouble to an Episcopal clergyman of Norfolk, who came from Baltimore with him. He said when elected judge, he did not agree politically with Chissons, prominent re-adjustor, and was told his politics would not interfere with his duties on the bench. Recently he had been urged to make a removal and appointment which afterward appeared in his opinion a violation of the law. His politics bis opinion a violation of the law. His poli-tical situation irritated him, and he said he feit like ending his troubles by blowing out his brains. He is widely connected and an uncle of Commodore Mayer.

Lonnon, Sept. 15 .- Lord Derby, colonial secretary forwarded a dispatch to the Australian government stating that the imperial government deprecates the pro-oesed scheme and annexation of the Pa-cific islands to the Australian colonies calls attention specifically, to the case of the Islands of Samoa, where the German, British and American consuls have some-imes exercised their influence jointly a separately, and says the governments of Great Britain and Germany have mad an independent state, and its agreexation; Australia might lead to a violation of the international treaties. The same he declares to be true of other islands.

Unfounded Reports-Investigating St. Johns, N. F., Sept. 15.-The stories of Dr. Pavy's death, mutiny in Greeley's camp, and murder of the whole party by mountaineer Indians, are merely reports of Esquimaux, are not substantial and not

The United States frigate Powhattan, arrived to-day, seven days from New York, will cruise around the New Foundland coast and investigate the cause of the collision and conflict between the United States and New Foundland fishermen.

There are no new developments in rela-tion to Greeley's expedition.

PESTH, Sept. 10.—Festher Lioyd says ail indications point to the belief that the authors of the disorders at Crotia are but ploneers of the projected south Slavorian agitation, which is to be directed not against Hungary alone, but against the Austrian empire generally.

AGRAM, Sept. 15.—There is continual skirmishing between the military and researchers on the southern fromtier of

neasantry on the southern frontier of Crotia, but all is quiet in Zagarien. New York, Sept. 15.—Professor, Bauer has challenged Duncan C. Ross, witner of the Police Gazette trophy, to wrestle or the trophy and \$600 a side; the match to take place at any time that Richard K. Fox may name within two recks from the signing of the articles. He has also expressed a willingness to wrestle with John C. McMahon, or H. M. Dufour, for £500 a side.

for £500 a side. Sr. Louis, Sept. 15 .- A fire at Casey, Illi-St. Louis, sept. 15.—A fire at Casey, Illinois, last night descroyed eleven business
nouses and several offices. Loss, \$80,000.
Pitrasumo, Sept. 15.—A fire at Delphos,
Ohio, this morning entirely consumed the
extensive works of the Pittsburg Hoop and
flarrel company. The night watchman,
whose name was not learned, was in the
outliding at the time and was burned to
death. Loss, \$75,000; insurance, \$30,000.

New York, Sept. 15,-The police of this city are notified to look for Abram S. Nes-nitt, 16 years old, son of the president of he Second National bank of Easton, Penn-ylvania, who ran away from his home and is supposed to have come here. He is said to be neir to \$500,000.

The greatest interest of to-day centered in the attempt of Jay Eye to beat his record of 2:14 for a purse of \$2,000. He trotted this morning an up heat in 2:20 and when the float trial came he gave the most remarkable exhibition of trotting ever seen at this track. His time to the first quarter was 34 seconds, to half 61 1-2, to three-quarters 1:39, and finished in 2:10 3-4, de went over the entire course without a skip or break of any kind, and when he came under the wire showed no signs of distress. The enthusiasm was great. Spectators were standing in their seats and cheering loudly as the plucky fellow came down the home stretch. In the 2:22 race Amelia C, was the favorite, but H. B. Winship won in three straight heats.

Iron pulleys throughout, brush strongly made, with adjustable boxes and case reed journals.

The machine in all parts is well proportioned, strong from frame, seprofor workmanship, best material, and fine finish; adjusted to produce, best possible results.
